Trapped in darkness, turmoil and danger

JUDGMENT

*Temple on the Mount, over-arching religious context;
 Extremely harmful and toxic difficulties
 can reconfigure into Peace, each side separated,
 with Authority and Enforceable Law below
 and supportive societal dynamic above.*

*Core process involves the two sides separating as much as possible
 which helps remedy current toxicity
 transferring Authority from currently dominant Israel
 to currently dominated Palestine.*

YI TEXTS

Wilhelm/Baynes: The Abysmal repeated. If you are sincere, you have success in your heart, and whatever you do succeeds. Water flows on uninterruptedly and reaches its goal. The image of the Abysmal repeated. Thus the superior man walks in lasting virtue and carries on the business of teaching

Changing Lines 1,3,5

- 1 *Repetition of the Abysmal. In the abyss one falls into a pit. Misfortune.*
- 3 ***Forward and backward, abyss on abyss. In danger like this, pause at first and wait, otherwise you will fall into a pit in the abyss. Do not act in this way.***
- 5 *The abyss is not filled to overflowing. It is filled only to the rim. No blame.*

Derived 11 Peace

Legge: Harmony shows the inferior departed and the great arrived. There will be good fortune with progress and success.

Trigram Analysis

Lower: Unbalanced Water > Heaven: Turmoil > Vision, authority
Upper: Unbalanced Water > Earth: Anguish > Good relations, support, interdependence

Upper Trigram L5, the central/MAN line, denotes unbalanced, turbulent leadership. Changes to Earth = good society, many relating together as one (3 broken lines makes six parts = many). Also a sense of softening, yielding versus being so domineering, arrogant and demanding. Jewish women could help.

Lower Trigram: The ☵ central line is firm and balanced unlike the lines below and above which are broken and unbalanced. The Palestinians lack support and are disconnected from Earth below; they also lack good relations with those outside / above; this changes to trigram Heaven (three solid lines below) in #11 Peace which denotes strong leadership with vision, strength, creative power.

Heaven Earth Man

HEAVEN:	☰ - ☵	Young Yang	----	7	Army, lower leadership, massed force
MAN:	☵ - ☵	Old Yin	--x--	27	Cultivating integrity, nourishing society
EARTH:	☵ - ☷	Young Yin	-- --	6	Conflict, being obstructed
	☷	☵	☷	☷	☷

3 Line Method: ☷ Mountain > ☵ Wind. Blockage > Ease of movement, dispersal

Notes

- #53; Past: Coincidence: Previous throw about Palestine = #53 Temple/Wood on Mount.
- #29; Darkness & Danger: current situation in Gaza is truly terrible.
- #29; Fearless Warriorship, holding true to the essential. Willpower, endurance.
- #29; Two sides, both out of balance, a dangerous entanglement, mutual predicament.
- #18; Turning poison into medicine; dealing with toxic people. How to get to #11 Peace
- #11; Peace; things in place. Two sides; balanced, two different trigrams = 2 States?
- #11; < #18's top and bottom lines swap = **leadership change from Israel to Palestine**
- #27; Balanced mirror image. Below rising; above still. Two related images.
- #27; The yang lines move as far away as possible from each other = Two State

- #29-27-11: All balanced, #11 in an interesting Heaven-Earth way.
- HEM: Heaven and Earth: both Water/Dark below plus Heaven & Earth; echoes #11
- HEM: Heaven = Army ; Earth = Conflict. Clearly a difficult situation.
- HEM: 3-line method: could indicate blockage > dispersal (of population?)
- CL: 3 changing lines = Mountain below Thunder = 62 > 54; Trigram: Mtn > Lake.
- Binary: Past & Future: #63 and #64; interesting.
- Thunder-Change: in Primary, Future, Derived and Nuclear: time of Change, Movement
- #53>#11: Swap 2 Heaven Lines with 2 Earth lines = #11 Heaven. Change of leadership.

Summation

The Temple on the Mount symbolizes a spiritual belief uppermost in mind (highly visible, being on top of a mountain) making this long-standing, intractable conflict at least partly religious in nature, not merely a practical or logistical quarrel. Deeply emotional as indicated by #29, Water double. #29 also shows two peoples in the same predicament, separate but together and quite similar with both lower and upper trigrams being the same, which also makes them equal though one now has the upper hand as should not be the case.

Both are unbalanced: Lower Water changes to Heaven; upper Water changes to Earth signifying a reversal of fortune: those now dominating will be submissive and receptive / Earth; those now submissive will hold Leadership/Authority of Heaven.

The core nuclear dynamic involves the two poles from #29 moving further apart into #27 and finally both parties being entirely separate as in #11's Heaven (3 yang lines) below, and Earth (3 Yin lines) above; once separated they can harmonize as such, no longer entangled. Future Influence involves turning current toxicity into medicine. Perhaps the key dynamic is to take away Israel's upper hand/authority in the situation which is perhaps the key problem causing all the troubles. ON the way to #11 Peace is #18 Working on What has been Spoiled, or transmuting Poison into Medicine. Palestinians can transform the current extreme suffering and injustice into a positive outcome, which here is the very positive, perhaps the most positive #11 Peace which is the harmonious co-existence of masculine (Heaven) and feminine (Earth), dominant and submissive. The injustices being perpetrated against the Palestinians will result in redress.

So: will the Palestinians have to leave Gaza? It seems this is not the right question because what matters is getting to #11 which is a Two State solution, each side separated and independent from the other, with Authority in the lower trigram (Heaven) meaning they will have protection of Law with authority therefrom. So much more than remaining in Gaza or not is at stake.
